

CHRISTMAS YEAR ROUND APPLICATION HOUSEHOLD INCOME WORKSHEET

The Christmas Year Round application requires the Referring Partner to verify the total household income on the application. If a person is living in the same household as the applicant, include this person's income also.

Income can be reported as an annual or monthly amount.

The following income categories should be included:

Wages, State or Federal Housing Assistance, Child Support, Idaho Temporary Assistance for Needy Families (TANF), Social Security payments, Supplemental Security Income (SSI), retirement/pension payments.

	Monthly	Annually
Total Household Wages		
State or Federal Housing Assistance		
Child Support		
Idaho TANF		
Social Security Income		
SSI		
Retirement/Pension Payments		
Total Household Income	\$ -	\$ -

Each category of income below should either reflect a number or a zero.

Attach this completed worksheet of Household Income to the CYR Application before submitting it.
